

At De Beauvoir Primary School we recognise the contribution of PE to the health and well-being of pupils. We know that an innovative, varied PE curriculum and extra-curricular opportunities have a positive impact on the concentration, attitude and academic achievement all our pupils. We also recognise that school closure due to Covid19 lockdown led to lowered fitness levels for many of our pupils as a result of lack of access to outdoor space and physical activity.

The government has provided additional funding of over £450 million over the last few years to improve physical education. Our School Sports' funding has enabled us to extend our broaden our curriculum offer through the provision of a range of appropriate and motivating equipment to use within P.E. lessons and recreational sessions, the provision of specialist sports coaches to lead play, lunch and extra-curricular sports / activities and to enable opportunities for competitive sports with other schools.

Purpose of the funding

Schools have to spend the sport funding on improving their provision of PE and sport, but they have the freedom to choose how they do so.

PRIMARY PE SPORTS GRANT REPORT 2019-20:

Primary PE Sport Grant Awarded 2019-20			
Total amount received by De Beauvoir Primary School			£18,530
Summary of PPSG 2019-20			
Objectives for PPSG spend:			
<ul style="list-style-type: none"> Improved PE and games provision; Staff professional development; Improved PE & sport-specific resourcing; Raised participation levels within curricular and extra-curricular activities, including intra & inter competitions; Improved knowledge; skills and understanding related to health and fitness; Increased level of physical activity during lunchtimes; Additional swimming provision to enable more pupils to reach the requirements of the national curriculum; Ensuring improvements to provision are sustainable. 			
<p>In 2019-20, up to the point of lockdown, participation increased in sports activities, clubs, events and competitions. A wider range of pupils participated in sports during break times as a result of a variety of engaging equipment and the supervision of activities by sports coaches and support staff. P.E. equipment purchasing ensured that pupils experienced a wider range of sports activities during P.E. lessons. Covid19 lockdown prevented Sports Day from taking place and also prevented our planned Summer term of Year 6 swimming, however sports and fitness activities were promoted to pupils and families as part of the remote learning offer.</p>			
Action Plan 2019-20			
Objectives	Cost	Objective	Outcome
To increase participation in sports and physical activities by employing sports coach to run after school sport clubs daily, enabling a range of extra-curricular sports opportunities to be provided	£4,000	More pupils attending after school sport clubs to expose pupils to a range of different sports and improve self-esteem.
