SAFEGUARDING ALERT AND ONLINE SAFETY

There has been a recent alert about a new horror character that features in content on Google, YouTube, and most online platforms – even with parental controls switched on. This content can be disturbing if a child is not expecting it or if they are more vulnerable horror. If the child in your care comes across something scary or disturbing online, encourage them to STOP, PAUSE, THINK and TALK. If you would like advice or support, why not come to our Parent Online Safety Meeting on Thursday at 2.30pm.

STOP	PAUSE	THINK	TALK
what they are doing and turn off their screen/switch off device	to take a breath and try to stay calm	about something else that makes them happy	to an adult they trust about what they saw and how it made them feel
