

At De Beauvoir Primary School we recognise the contribution of PE to the health and well-being of pupils. We know that an innovative, varied PE curriculum and extra-curricular opportunities have a positive impact on the concentration, attitude and academic achievement all our pupils. We also recognise that school closure due to Covid19 lockdown led to lowered fitness levels for many of our pupils as a result of lack of access to outdoor space and physical activity.

The government has provided additional funding of over £450 million over the last few years to improve physical education. Our School Sports’ funding has enabled us to extend our broaden our curriculum offer through the provision of a range of appropriate and motivating equipment to use within P.E. lessons and recreational sessions, the provision of specialist sports coaches to lead play, lunch and extra-curricular sports / activities and to enable opportunities for competitive sports with other schools.

**Purpose of the funding**

Schools have to spend the sport funding on improving their provision of PE and sport, but they have the freedom to choose how they do so.

**PRIMARY PE SPORTS GRANT REPORT 2020-21:**

Primary PE Sport Grant Awarded 2020-21			
Total amount received by De Beauvoir Primary School			£17,660
Summary of PPSG 2020-21

<ul style="list-style-type: none"> <li>• Improved fitness and well-being of pupils;</li> <li>• Improved PE and games provision;</li> <li>• Staff professional development;</li> <li>• Improved PE &amp; sport-specific resourcing;</li> <li>• Raised participation levels within curricular and extra-curricular activities, including intra &amp; inter competitions;</li> <li>• Improved knowledge; skills and understanding related to health and fitness;</li> <li>• Increased level of physical activity during lunchtimes and The Daily Mile;</li> <li>• Additional swimming provision to enable more pupils to reach the requirements of the national curriculum;</li> <li>• Ensuring improvements to provision are sustainable.</li> </ul>			
Action Plan 2020-21			
Objectives	Cost	Actions	Impact
To increase participation in sports and physical activities.	£4,000	Use pupil voice to identify clubs pupils would like to participate in.	Pupil participation in after school sports clubs increased when these were available, although they ceased during lockdown. Pupil participation has resulted in improved fitness, stamina, confidence and mental well-being.
To enable a range of extra-curricular sports opportunities to be provided		Sports clubs run daily by sports coach / leader.	
To provide opportunities for pupils to experience new /	£4,000	Audit P.E. and playground equipment	A wide range of activities has been on offer during PE lessons and break times and uptake has been

different sports and extend participation in existing sports.		Invest in equipment to support PE teaching and a wide range of playground sporting activities during play and lunch times.	strong. Due to staggered break times, equipment has been spread between bubbles.
To increase participation in physical activities at break and lunch times.	£4,000	Promote physical activity at break times and lunchtimes through the provision of a range of sports activities led by sports coach and leader.	A wide range of activities is on offer during break and lunch times and these have been led by adults to ensure that pupils are actively participating and enjoy themselves. Due to staggered break times, this has been in smaller groups than normal.
To celebrate sporting achievement and participation.	£500	Provision of medals, trophies and certificates for Sports Day and other sporting events.	Due to COVID-19 we were unable to buy medals in time for sports day as it did not seem that it would go ahead.
Daily Mile	£200 (rewards)	To improve the fitness of all pupils. All pupils to participate in physical activity.	All pupils have participated in The Daily Mile, although this stopped during lockdown. Pupils' fitness, stamina and self-esteem improved during regular delivery of The Daily Mile.
Current Y6 pupils to receive additional lessons to assess retention of learning from Year 3.	£2,000	Provide swimming lessons for Year 6 pupils and release time for adults to supervise this.	39% of last year's Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres and use a range of strokes effectively. 32% could perform safe self-rescue in different water-based situations.
Teachers develop their knowledge of how to deliver engaging P.E. lessons  Support staff develop their knowledge of how to deliver / supervise engaging break time activities.	£1,460	Provide CPD for teachers and support staff.	CPD did not take place due to the additional CPD requirements caused by COVID-19.
Interventions target specific pupils whose fitness is a concern.	£1,500	Release time for coach and PE leader to plan and deliver interventions with targeted pupils.	Fitness , stamina and self-esteem of identified pupils improved.
<b>TOTAL</b>	<b>£17,660</b>
