

# De Beauvoir Primary School Newsletter

## Monday 21st March 2022

Dear pupils, parents and carers,

### PARENT/CARERS' MEETINGS—Tuesday 26th and Wednesday 27th April, 3.30-6pm

These meetings will be face-to-face unless parents/carers request a phone call instead. Phone calls will be scheduled for the same afternoons and parents should ensure they are available to answer the phone. We ask that parents/carers continue to **wear a mask** for these meetings **unless exempt**. Sign up sheets will be available after Easter.

### CHILD Q CASE

You will be as shocked and appalled as we are to learn about the Child Q incident and we understand the distress and anger within our community. If, as a group of parents/carers, you would like a space to discuss the case, this can be facilitated. As a school, we want to reassure parents/carers that we uphold the most rigorous safeguarding procedures. If you would like to discuss any aspect of the case or have any concerns, please speak to Miss Rader or Mr Bignall. Please read the statement from Group Director for Children and Education and the Director of Education for Hackney on our website or by clicking [here](#).

Kind regards, Daniela Rader, Head of School

### RED NOSE DAY

A big thank you to all the staff, parents/carers and pupils who supported Red Nose Day this year. We had lots of fun dressing up to help raise money for a very worthwhile cause. Comic Relief raised an amazing total of £42,790,147 on the night and our donations will add to this fantastic total.

### OLIVE AND MAGNOLIA GO PLASTIC FISHING

Last week, Year 3-5 visited the Docklands to learn about the impact of plastic pollution on our waterways and the environment. They took to the water to collect any plastic rubbish they could find, whilst in a recycled plastic boat. Both groups did the school proud, repre-

senting our school values. Well done Olive and Magnolia Class. A very worthwhile cause and a big thank you to Hubbub and UBS for the opportunity. <https://www.hubbub.org.uk/plastic-fishing>

### COVID CASES RISING

Reports suggest that last week 1 in 25 people may be infected with the Omicron variant of Covid. We are still encouraging families to test using lateral flow tests regularly and wear masks at collection and drop off. Despite no longer being a legal requirement to isolate, we ask parents/carers to keep children off school after a positive test result until they receive negative LFT tests on Day 5/6 and then can return to school. This will help keep our community safe and school open. We thank you for your ongoing support.

### READING ROAD MAP

We're really excited about the Reading Road Map programme and have loved the new books we have received. The pupils have already chosen their first books and can't wait to read them and start their journey to completing the road map! Last week, we had pupils from Olive and Magnolia Class reading in the playground and lunch hall.

We  Books

### IMPORTANT DATES, 2021 –2022

Friday 1st April	End of Spring Term
Tuesday 19th April	First day of Summer Term
