

De Beauvoir Primary School Newsletter

Monday 27th June 2022

Dear Pupils, Parents, Carers and Staff,

It was another busy week at De Beauvoir last week! Miss Ali and the teachers organised lots of activities for STEM Week—you can see how much fun and learning happened on our Twitter page. We also hosted a visit for the headteachers of the Primary Advantage federation. They toured the school during lesson time and told us how impressed they were with the high expectations for learning in classes and books, the children's behaviour and attitudes to learning and the wonderful displays which showcase the children's work! We were very proud.

Wishing you a lovely week ahead,
Rebecca Mackenzie, Headteacher

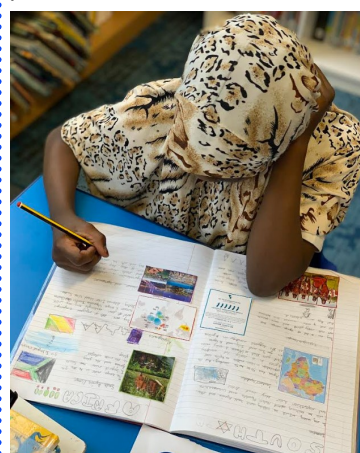

STEM Week

We had a fantastic time during STEM Week last week! Children completed class activities and also got to try out scientific experiments and observations during lunch times. See Twitter for many more pictures and explanations of what is happening in the photos! <https://twitter.com/DeBeauvoirSch>

Olive Assessment

Olive Class worked very hard to complete fantastic end of unit assessments

last week, for their topic, 'Africa'. You can see many more examples of their brilliant work on Twitter!

Perfect Attendance!
