Dear Year Olive Parents and Carers,

## Re: Olive Class trip to The Science Museum

I am writing to let you know about the Olive Class trip to The Science Museum on **Wednesday 15<sup>th</sup> March 2023**.

We are visiting the museum as part of our work celebrating and engaging with British Science Week.

Whilst this is a potential teachers' strike day, as some members of teaching staff at De Beauvoir are not members of the NEU, we have taken the decision to continue to run this trip on this date. We will of course update you if anything happens to alter this plan.

We will travel to the museum by London Overland, from Dalston Junction to Whitechapel, and then by Underground from Whitechapel, with the museum itself being located in South Kensington.

Olive class pupils will have the opportunity to explore the wider museum, and then after lunch will head to Wonderlab, an experiential and investigative science experience that will allow pupils to investigate scientific theories in a hands-on way.

Children will need to bring a packed lunch with them on the day, or please notify us on the slip below, if you would prefer for a school packed lunch to be provided. Children should wear De Beauvoir school uniform and bring a back pack (in which they will carry their lunch) and a water bottle.

There is no cost affiliated with this trip, as both the travel and the Science Museum are free.

Parent volunteers are welcomed, although places may be limited. Please speak to the school office, class teacher or senior leaders on the gate if you would like to volunteer to help on this trip.

We will leave school at around 9.40am, returning back to school before home time at 3.30pm, so please drop off and pick up your child as normal.

Yours sincerely,

Sarah Mather

Deputy Head Teacher
