De Beauvoir Primary School Newsletter

Week Beginning 11th September 2023

Dear Parents, Carers, Staff and Pupils,

Welcome back to the new academic year and thank you to all the parents and carers who provided a great start for their child with 100% attendance. This has supported children to be ready for the year ahead and the increased challenge of their new classes. We have been really pleased to have had visits from a number of ex-pupils in their new secondary school uniforms. Look at how smart they look! In this edition of the newsletter we are also celebrating the work of the youngest children at school last week - well done Beech Class for a great return to school!

Kind regards, Rebecca Mackenzie, Headteacher

Beech Class Dots!

Since we returned to school, children in Beech, Magnolia and Sycamore Class have read 'The Dot', by Peter Reynolds - a story about a child who finds out that by being tenacious and aiming high she can achieve great things. All of the children made their own dots using different media. Beech Class made these fantastic paint splatter dots, inspired by the work of Jackson Pollock. You can see more of their brilliant work on Instagram!

IMPORTANT DATES, 2023 –2024

Monday 11th - Friday 15th September	Sycamore Class to Into University
Wednesday 13th September	Sycamore Class Trip to The Wallace Collection
