## Week Beginning 18th September 2023

Dear Parents, Carers, Staff and Pupils,

Last week was busy at De Beauvoir and the children continued to make us proud with their hard work and excellent behaviour! Reception, Beech and Olive have produced lots of fantastic work in their books and to decorate their classrooms and Sycamore Class enjoyed Into University workshops all week, including a trip to The Wallace Collection and a graduation at The University of East London. Once again, there have been many comments from members of the public about the fantastic behaviour of our pupils when out on trips and visits - we are so proud of the children!

Kind regards, Rebecca Mackenzie, Headteacher

### Year 4 Maths....1,000!

Year 4 spent last week learning about the composition of 1,000. They built 1,000 in different ways and identified 1, 10 and 100 less. The children measured one metre and then went outside to experience what 1,000 metres looked and felt like, using trundle wheels to count metres carefully as they walked!
