De Beauvoir Primary School Newsletter

Week Beginning 25th September 2023

Dear Parents, Carers, Staff and Pupils,
Last week we enjoyed a fascinating assembly delivered by STEM Ambassador Clare Pugh, who told us all about her job as an ecologist. We are going to be launching our own whole school ecology project, which will find out about the range of wildlife which visits our playground at night and during the day.
Please join us at 3:30pm this Friday for our MacMillan Coffee Afternoon!
Kind regards, Rebecca Mackenzie, Headteacher

Bikeability in Sycamore Class

Last week, Sycamore Class learned how to keep themselves safe when cycling on the road, thanks to Bikeability / Cycle Confident sessions.

Bring a hooded
raincoat
to school
every day
please!

Have You Seen Neon Leon?

Beech Class have been looking for Neon Leon, a cheeky chameleon who they read about last week. They found Leon's footprints around the school and went on a big hunt for him but still haven't found him! Now they have made 'Wanted' posters which they have stuck up around the school so that we can all help them find him. If you see Leon, please let Beech Class know!

Perfect Attendance!

Fig Class

Star of the Week

is Victoria for her continuous effort in writing and phonics.

Fig Class Self-Portraits

Reception children from Fig Class had a fantastic start to term last week. One of the many things they did was to make these fantastic self-portrait paper plates!
