Week Beginning 1st October 2023

Dear Parents, Carers, Staff and Pupils,

On Friday we enjoyed a fantastic coffee afternoon, in aid of MacMillan. Thank you to all the parents, carers and children who donated cakes and toys and for joining us to have fun and raise money for this worthy cause. There were a range of delicious refreshments, face painting, games and competitions. We raised an incredible £110!

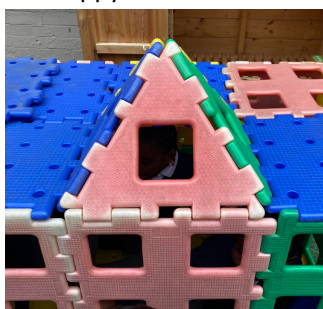

Kind regards,

Rebecca Mackenzie, Headteacher

Busy Builders in Fig Class

Last week, Fig Class enjoyed building in their outdoor area and then hiding inside the structures they had made. Look at the happy faces we found when we peeped inside!

Bring a hooded
raincoat
to school
every day
please!

Fig Class

Star of the WEEK

Faith, for always trying her best when learning and for learning 'Good morning' in sign language!

Year 2 Maths

Year 2 have been learning about place value and number order in maths. They can count forwards and backwards in steps of 1, 5 and 10 to identify missing numbers on a number line. They can use place value to identify how many tens and ones are in two digit numbers and use this knowledge to add and subtract.

Science Inspired Art in Olive Class

Olive Class have been learning about light and shade in their science lessons. Inspired by their learning, they made these beautiful art works!
